WE THANK
WOT
OUR TROOPS

serving our female troops in harm's way

Operation Courage is Beautiful is a Partnership between VFW Post 3787, Stylesynch.com, and the Armed Forces YMCA. The Partnership collects high quality female products for packaging and mailing to Deployed Female Warriors. To date, over 2000 female specific care packages have been sent to Deployed Female Warriors around the world. The partnership has received 100s of responses from the Warriors and the Picture below is from some of them. OCIB have packages and funding to send another 2000 packages.

If you know a Deployed Female Warrior (Deployed anywhere), please nominate her for a package. You can send your nomination (Name, Rank, and complete military address) to qtr@vfwpost3787.sdcxmail.com or you can go online to WWW.OPERATIONCOURAGE.ORG to submit the nomination directly.

Show your appreciation for our courageous women in uniform and give a little joy and femininity to their service lives!
