Commander's Communications

Hello everyone.

July starts a new year for post 3787. Hope everyone is ready. I want to thank everyone for your support in making this the BEST VFW post in San Diego. The post is for veterans and their families to enjoy.

As members we are all recruiters for the post----think ---if every member brought in one new member our membership would double---wouldn't that be great!

Installing solar is still on track. We should have our finances in order by the next meeting. Hope to have the system up and operating by September. No more HIGH electric bills ----everyone can relate to this!!

A big thank you to all you elected officers ----without all of you we wouldn't be a VFW organization that can help one another and other veterans. Our meetings are on the 2nd Sat. of each month. If you want input to the Post operations and events join us on these monthly meetings.

Come to meetings, support our breakfast, lunches, dinners and special events----see you there. Commander Dave

How Much Do you Know This is a quiz for people who know everything! These are not trick questions. They are straight questions with straight answers. **1. Name the one sport in which neither the spectators nor the participants know the score or the leader until the contest ends. 2. What famous North American landmark is constantly moving backward? 3. Of all vegetables, only three can live to produce on their own for several growing seasons. All other vegetables must be replanted every year. Name two of these perennial vegetables? 4. What fruit has its seeds on the outside? 5. In many liquor stores, you can buy pear brandy, with a real pear inside the bottle. The pear is whole and ripe, and the bottle is genuine; it hasn't been cut in any way. How did the pear get inside the bottle? 6. Only three words in Standard English begin with the letters 'dw' and they are all fairly common words. Name two of them. 7. There are 14 punctuation marks in English grammar. Can you name at least half of them? 8. Name the only vegetable or fruit that is never sold frozen, canned, processed, cooked, or in any other form except fresh. 9. Name 6 or more things that you can wear on your feet beginning with the letter 'S.'**

August 18, 1920 - The 19th Amendment to the U.S. Constitution was ratified, granting women the right to vote.

August 28, 1963 - The March on Washington occurred as over 250,000 persons attended a Civil Rights rally in Washington, D.C., at which Rev. Dr. Martin Luther King, Jr. made his now-famous I Have a Dream speech.

National Convention: David L. Lawrence Convention Center, July 18-22, 2015

Military Service, forever unforgettable! Occasionally, I venture back to NAS, Meridian, where I'm greeted by an imposing security guard who looks carefully at my identification card, hands it back and says, "Have a good day, Sr. Chief". Every time I go back to any Navy Base it feels good to be called by my previous rank, but odd to be in civilian clothes, walking among the servicemen and servicewomen going about their duties as I once did, many years ago.

The military is a comfort zone for anyone who has ever worn the uniform. It's a place where you know the rules and know they are enforced - a place where everybody is busy, but not too busy to take care of business. Because there exists behind the gates of every military facility an institutional understanding of respect, order, uniformity, accountability and dedication that becomes part of your marrow and never, ever leaves you. Personally, I miss the fact that you always knew where you stood in the military, and who you were dealing with. That's because you could read somebody's uniform from 20 feet away and know the score. Service personnel wear their careers on their sleeves, so to speak. When you approach each other, you can read their name tag, examine their rank and, if they are in dress uniform, read their ribbons and know where they've served. I miss all those little things you take for granted when you're in the ranks, like breaking starch on a set of fatigues fresh from the laundry and standing in a perfectly straight line military formation that looks like a mirror as it stretches to the endless horizon. I miss the sight of troops marching in the early morning mist, the sound of boot heels thumping in unison on the tarmac, the bark of drill instructors and the sing-song answers from the squads as they pass by in review. To romanticize military service is to be far removed from its reality, because it's very serious business -- especially in times of war. But I miss the salutes I'd throw at officers and the crisp returns as we criss-crossed with a "by your leave sir". I miss the smell of jet fuel hanging heavily on the night air and the sound of engines roaring down runways and disappearing into the clouds. The same while on carrier duty. I even miss the hurry-up-and-wait mentality that enlisted men gripe about constantly, a masterful invention that bonded people more than they'll ever know or admit. I miss people taking off their hats when they enter a building, speaking directly and clearly to others and never showing disrespect for rank, race, Religion or gender. Mostly, I miss being a small cog in a machine so complex it constantly circumnavigates the Earth and so simple it feeds everyone on time, three times a day, on the ground, in the air or at sea. Mostly, I don't know anyone who has served who regrets it, and doesn't feel a sense of pride when they pass through those gates and re-enter the world they left behind with their youth. I wish I could express my thoughts as well about something I loved -- and hated sometimes. Face it - we all miss it..Whether you had one tour or a career, it shaped your life.

Dollars & Cents:

Greetings from the Quartermaster. I was elected again to be your Quartermaster. The issue of Lotto Payout has come up again. Basically, the Post will pay any large payout (up to \$500) once a day. We do not want to have a large amount of cash around the Post just in case someone wins big. If there are two winners the second winner will have to redeem the ticket the next day. The specific memo is available from the canteen manager. I request your understanding. Wells Fargo Bank is working on our application for the Solar Project. We expect a 15 year mortgage backed loan at around 5.5 percent. That pencils out by no increase in costs to the Post. We will know in a couple of weeks. The new dishwasher is installed and working. It uses less water and is more efficient. Due to the increased overall cost of the dishwasher, the Post has had to raise the kitchen fees to \$30 (not hall rental) to cover the costs of the machine and the chemicals to sanitize the dishes. We are limited to 1000 washes a month without incurring additional contract costs. A lot going on at the Post with finances and if you want to be up to date attend the monthly meetings. Thanks, Your friendly Quartermaster Rick Tanner

August 21, 1959 - President Dwight D. Eisenhower signed a proclamation admitting Hawaii to the Union as the 50th state.

July 1, 1862 - President Abraham Lincoln signed the first income tax bill, levying a 3% income tax on annual incomes of \$600-\$10,000 and a 5% tax on incomes over \$10,000. Also on this day, the Bureau of Internal Revenue was established by an Act of Congress

Korean War Ends: July 27, 1953 - The Korean War ended with the signing of an armistice by U.S. and North Korean delegates at Panmunjom, Korea. The war had lasted just over three years.

Interview with Charter Member of VFW Post 3787: Recently we discovered that Comrade Link is the Last Member of the Charter. We asked Chas to interview him: William and Della Link, originally from Colorado, reside in North County. Della recently pointed out to Walter Mitte that William's name still graces the founders' document (Charter members) in Art Perez Memorial Hall at our VFW Post 3787. Della made a contribution to our poppy board in William's name. He is, by the way, hale and hearty and full of recollections from the early years of the Post. I spoke to him recently by phone, and he asked about former commander Jerry Stekelberg and Don Woods among others. I wasn't able to say much other than the fact that they also share the plank with William for time immemorial. William misses meeting his comrades in the canteen during social hour. He asked if the police still show up to tamp down the "enthusiasm" here at the Post. He seemed pleased to hear that recent commanders have been able to keep the law at bay, and that our activities are quite peaceful, apparently in contrast to the early years. William received his initial military training as a Navy cadet during WWII while still in high school. He then served in the Air Force during the Korean War. He assured me he still has his service ribbons. Don't be surprised if he and Della join us for a commander's Sunday breakfast in the future. His morale seems more than a match for the traffic on I-15. He said keep the newsletters coming. He reads them all. respectfully Chas Thank you Chas for a job well done.

Local Girl makes good— Renee Lea Gaut "Life Member" of VFW Post 3787 shown with (2) two former Presidents of the United States of America. She is the daughter of Gus & Lynda Murguia. What an honor and privilege. Well done Renee. .

Answers to Quiz: 1. The one sport in which neither the spectators nor the participants know the score or the leader until the contest ends: Boxing. I'm not so sure this is true any longer because the TV networks post the running score, so unless there is a KO or TKO by the fighter with the lower running score, we know.

2. North American landmark constantly moving backward: Niagara Falls. The fall's edge is eroded off about two and a half feet each year because of the millions of gallons of water that rush over it every minute.

3. Only three vegetables can live to produce on their own for several growing seasons: Asparagus, Horseradish, and Rhubarb. Rhubarb is usually considered a vegetable. In the United States, however, a New York court decided in 1947 that since it was used in the United States as a fruit, it counted as a fruit for the purposes of regulations and duties.

4. The fruit with its seeds on the outside: Strawberry.

5. How did the pear get inside the brandy bottle? It grew inside the bottle. The bottles are placed over pear buds when they are small, and are wired in place on the tree. The bottle is left in place for the entire growing season. When the pears are ripe, they are snipped off at the stems.

6. Three main English words beginning with dw are dwarf, dwell and dwindle. All can have added letters such as dwarfism. How about dweeb since I see it being used as a non-vulgar name for an unpopular nerdy person. i.e. He's such a dweeb!

7. Fourteen punctuation marks in English grammar: Period, comma, colon, semicolon, dash, hyphen, apostrophe, question mark, exclamation point, quotation mark, brackets, parenthesis, braces, and ellipses.

8. The only vegetable or fruit never sold frozen, canned, processed, cooked, or in any other form but fresh: Lettuce. Avocado meets most of the criteria however, it is processed into a guacamole.

9. Six or more things you can wear on your feet beginning with 'S': Shoes, socks, sandals, sneakers, slippers, skis, skates, snowshoes, stockings, stilts.

Quick Tips for Avoiding Fraud There are many varieties of consumer fraud, but the most common ones are variations of fake check scams, credit repair, free trip offers, and sweepstakes. Here are some tips to help you avoid being a victim:

- Don't give out personal information. Be suspicious of anyone you don't know who asks for your Social Security number, birth date, credit card number, bank account number, password, or other personal data.
- Don't be intimidated. Be suspicious of calls or e-mails that want you to provide or verify personal information immediately. Tell them you're not interested and hang up or don't reply to the e-mail.
- Monitor your accounts. Review bank and credit card statements carefully. Report unauthorized transactions to your financial institution immediately.
- Use a shredder. Tear or shred credit offers you receive in the mail, bank statements, insurance forms and other papers with personal information

Protect Your PIN

Beware of "shoulder surfers." Be suspicious of anyone lurking around an ATM or watching over your shoulder while you use your card. Some thieves even put a device over the card slot of an ATM to read the magnetic strip and record your PIN; this is known as "skimming". If you suspect criminal activity, walk away and use a different ATM.

August 9, 1974 - Effective at noon, Richard M. Nixon resigned the presidency as a result of the Watergate scandal. Nixon had appeared on television the night before and announced his decision to the American people. Facing possible impeachment by Congress, he became the only U.S. President ever to resign.

August 7, 1964 - Following an attack on two U.S. destroyers in the Gulf of Tonkin off North Vietnam, the U.S. Congress approved the Gulf of Tonkin Resolution, granting President Lyndon B. Johnson authority "to take all necessary measures to repel any armed attack against the forces of the United States and to prevent further aggression."

Women's Rights Convention:
 July 19-20, 1848 - A women's rights convention was held at Seneca Falls, New York. Topics discussed included voting rights, property rights and divorce. The convention marked the beginning of an organized women's rights movement in the U.S.

New Army and Navy Service Chiefs
 The Pentagon announced that Army Gen. Mark A. Milley and Navy Adm. John M. Richardson have been nominated to lead their respective services. Milley, 57, is currently the head of U.S. Army Forces Command. He will replace Gen. Raymond T. Odierno, who has been the Army Chief of Staff since September 2011. Richardson, 55, is director of the Naval Nuclear Propulsion Program. He will replace Adm. Jonathon W. Greenert, who has been Chief of Naval Operations since September 2011.

July 28, 1932 - The Bonus March
 The Bonus March eviction in Washington, D.C., occurred as U.S. Army troops under the command of General Douglas MacArthur, Major Dwight D. Eisenhower and Major George S. Patton, attacked and burned the encampments of unemployed World War I veterans. About 15,000 veterans had marched on Washington, demanding payment of a war bonus they had been promised. After two months' encampment in Washington's Anacostia Flats, forced eviction of the bonus marchers by the U.S. Army was ordered by President Herbert Hoover
