Tricare Costs: TRICARE Young Adult Premiums Going Up: This week, DOD announced significant premium increases for the TRICARE Young Adult program. Under the new rates, effective January 1, 2016, TRICARE Young Adult Prime will increase from \$208 to \$306 per month and TRICARE Young Adult Standard will increase from \$181 to \$228. The program, which began in 2011, allows adult children of TRICARE beneficiaries to receive coverage until age 26. One of the statutory requirements when the program was created was that it remain cost-free to taxpayers. The rise in premiums represents a higher than expected usage rate of the program. These increases do not affect other TRICARE beneficiaries. To find out more, <http://www.tricare.mil/Costs/HealthPlanCosts/TYA.aspx>

Veterans Day 2015 Pot Luck. A number of things. The Post will March in the Veterans Day Parade. See Cdr Dave for Details. Following the Parade the Post will Have its Pot Luck. LTG Talley is one of only two people authorized by congress to spend money on behalf of the US Taxpayer and he is one of the US Army's most senior leaders! This should make for a great day! <http://www.usar.army.mil/ourstory/leadership/Pages/Lieutenant-General-Jeffrey-W--Talley.aspx> <https://www.linkedin.com/in/jeffreywtalley> As you can see Veterans Day will be a big deal at the Post, Bring a Dish to Pass. MOCA Corner

Hello MOCA Ladies: It's time again for our VA hospital party. Thanks to Josie for making the bags for all the goodies, Lois for doing all the shopping and to the members for donating extra money. In November 100 patients will receive Christmas cards and stamps. In December they will have their party with lots of gifts. We hope this will give our hospitalized veterans something to look forward too. We also donated to the children living in the National Home in Michigan for their Christmas party. We have our monthly hospital visit on the 4th Saturday. Thanks, to past President Claudia Harris, Josie Gregg, Mary Bellon, Lois Brown and Gus Murguia for their monthly donations of sandwiches and goodies, also last but not least the ladies who donate extra money so we can supply the special food for the upstairs ward. We wish everybody a Happy Thanksgiving, Merry Christmas and Happy New Year. Keep 'em Smiling in Beds of White. Lynda Murguia pro-tem for Prez Josie Gregg

Cootie Corner: Hi to everyone! Congrats to Bobby and

Chrissy on an awesome picnic . I have never seen that many people at our Post picnic in years. I also appreciated all the volunteers who helped from prepping, setting up, and unloading back at our Post. Thanks to all , it was a real Team effort. Halloween weekend I will be back in Washington D.C. for the annual Tomb Trek. I still get a chill every time I hand my wreath to that Guard at the Tomb of the Unknown Soldier. Try it once, and you're hooked. Welcome to the Holiday Season. Don't believe me? Just go to Walmart, they are already set up for Christmas. Unfortunately, this is also the time of year when our troubled Vets return to our VA hospital because they have nowhere else to go. This is the time when we Need your support!!! We are all VFW members! We try to support all of the Posts breakfast, and dinners. I only ask that you do the same. Please remember that the Holiday Season fills our VA hospital. And every dollar you spend on our breakfast goes directly to our hospitalized Vets. I'll see you all at our annual Thanksgiving Dinner. And hopefully at our next breakfast which is every 2nd Sunday of each month. Or make your check payable to the Cooties Pup tent 6 for a mere \$7. May your Holiday Season be filled with Love, Family, and Friends. Remember , we "Keep them smiling in sheets of white" Mike Seam Squirrel Pup tent 6 Jackalopes 619 6161644 mpchitown@hotmail.com

Kudos: . I have noticed that among all the "Ladies performing the job of "Servers" {AKA: Waitresses} there is one that does it all, in a very outstanding manner, sets tables, serves, returns the dishes to the clipper area, cleans tables and chairs, all this with a very pleasant smile and HARPER is only 11 years old. Therefore, if need be, I nominate Harper for Server of the year. BYW the Cootie Boss agrees. " Keep up the good job Harper."

Pork Riblets on Hold: October will be the last time we cook Riblets, this year. Nov interferes with a holiday, Dec does the same thing with Christmas. We will inform you on the issue of the Riblets for the next year. The Gus sends

Chaplain Corner

Hello to everyone at 3787. As of this writing, I know of no one in sickness or distress. Looking ahead towards Thanksgiving and Christmas let us be thankful to our Creator for the things that HE has blessed us with as we celebrate the coming holidays with friends and families. May you all have a happy and safe holiday season as we look forward to ringing in the new year. Happy Thanksgiving, Merry Christmas, and a very safe Happy New Year, In Jesus' name. Your Chaplain, Jose Hernandez

The Monuments Men: The Monuments Men Receive Congressional Gold Medal: On Oct. 22, four of six surviving members of the Monuments Men were present in the U.S. Capitol to receive the Congressional Gold Medal for their World War II service to find and secure priceless pieces of art that at the time were being plundered by Nazi Germany. Once 350-men strong from 14 allied countries, the Monuments Men were a little-known band of art curators, scholars and architects until a movie by the same name was released last year. The Congressional Gold Medal is the nation's highest civilian honor. Read more about the presentation here: <http://www.mcclatchydc.com/news/politics-government/congress/article41044539.html>

Dollars & Cents:

Greetings from the Quartermaster. The Post successfully conducted its inspection on November 4. It was done by the District Inspector Jim Bilka. Thanks to Jim for his assistance and attention to detail. The Post learns from each inspection. As you know the Solar Saga continues. We are still working to set up what is best for the Post. The PPA is on track, but taking much longer than expected. I hope to have news soon. The Commander and I are at the decision point of determining if the PPA is better or the HERO program will do the best for us. It is complicated and confusing to say the least. I want to thank all who support the Post. It is your Post Home and we appreciate it. The Commander is always open to new ideas and procedures, so make your thoughts and ideas known. My personal thanks to all who helped with the Picnic and made it a great success (I did not win any prizes, but I tried). Also, the Wounded Warrior Dinner was a great success. As you know we donate all the proceeds to a local Wounded Warrior organization. If you have a candidate please make it known as we will be writing the donation checks soon. Historically, we have donated to local organizations to keep our funds helping local wounded warriors. The solar issue remains open for suggestions. We can use all the help we can get. It is difficult because we are a nonprofit and Banks do not like to loan to nonprofits. As I have stated before the two choices now are the PPA which we do not put up any funds and pay a reduced rate for electricity for a number of years. We can buy the system at 6 years for \$60,000. The HERO program adds the cost of the solar system to the Property Taxes. No up front money, Just the taxes every year. Detailed briefings at the monthly Post meetings. Thanks, Your friendly Quartermaster Rick Tanner

Medicare Annual Enrollment Period (October 15 – December 7) The Annual Election Period runs from October 15 through December 7 each year. During this time, known as the "AEP," Medicare beneficiaries may change prescription drug plans, change Medicare Advantage plans, return to Original Medicare, or enroll in a Medicare Advantage plan for the first time. Coverage for enrollment changes takes effect on January 1.

New Years Eve Dinner and Party are coming : The annual New York New Years Eve Party is in the final planning stages. Dinner, Music, party favors, etc all for \$25 per person. Tickets must be purchased in advance. Always a great time had by all, see the flyers at the Post.

VA San Diego Healthcare System (VASDHS) is offering FREE flu shots for all enrolled Veterans, from September 23, 2015 to December 20, 2015. Patients with a scheduled appointment will be given flu vaccine during their clinic appointment. - See more at: www.sandiego.va.gov

WHAT'S THE LINK BETWEEN MEDICARE, TRICARE FOR LIFE (TFL), AND VA HEALTH BENEFITS for a 100-percent-disabled VA rating? Specifically, if I never intend to use Medicare, as I receive 100 percent of my care from the VA with TFL as my backup, can I disenroll from Medicare and still remain enrolled in the Defense Enrollment Eligibility Reporting System (DEERS)? A. The short answer is you can use the VA for your entire health care and not enroll in Medicare Part B. However, this means your TRICARE For Life (TFL) entitlement is suspended until you enroll in Medicare. Additionally, should you ever elect to use your TFL benefit, it's going to cost you in both time and money. First, you would need to enroll in Medicare during a general enrollment period from Jan. 1 through March 31 each year, with Medicare Part B coverage not beginning until July 1 of that year. Next, there is a 10-percent lifetime penalty for every 12 months you could have enrolled in Medicare but failed to do so. This is cumulative. You'll want to look at your lifestyle and health options within the VA with regards to the location where you choose to live and the availability of care. Lastly, your DEERS eligibility and ID card privileges remain regardless of enrollment in Medicare. However, your health care eligibility is predicated upon enrollment in Medicare parts A and B with a valid military ID card. — *Cmdr. Katherine O'Neill Tracy, USN (Ret), deputy director MOAA's Transition Center*

Editor's Note: First I am sorry about the delay in the receipt of this Newsletter. I have just been overwhelmed with the paper monster. I have come to the conclusion that I can no longer prepare, print and publish a VFW Post 3787 Newsletter. So, this will be the last issue after 58 years of being published. I will look for someone who wants to prepare and publish the newsletter, but I would guess that the method would be to put it on the website in electronic form for anyone to download and read. I am very sorry for this situation as it is and was a great method to communicate with members locally and around the country. It has been my pleasure to provide this service for all the years I have done it. It just has become too much for me to continue. Thank you for your reading. Rick Tanner.

Wounded Warrior Dinner: Thank you to Carol St Pierre, Dave Tofte, Jan Illig, Tommy Hallauer, Maria Corpz, Bobby R, Fay H, Craig Tofte, Jimmy Washburn, and all who helped put on this super Event. The Band was Great, the Food was super, and project of serving Wounded Warriors was achieved. Those who came and participated can be assured that the funds will go to supporting Local Wounded Warriors. If anyone has a candidate organization that we should donate to Please give the name, address, and contact to Cdr Dave. (Sorry Tommy did not get a meal)

Marine Briefing A U.S. Marine Colonel was about to start the morning briefing to his staff.

While waiting for the coffee machine to finish brewing, the colonel decided to pose a question to all assembled. He explained that his wife had been a bit frisky the night before and he failed to get his usual amount of sound sleep. He posed the question of just how much of sex was "work" and how much of it was "pleasure?" A Major chimed in with 75%-25% in favor of work. A Captain said it was 50%-50%. A Lieutenant responded with 25%-75% in favor of pleasure, depending upon his state of inebriation at the time. There being no consensus, the colonel turned to the Private First Class who was in charge of making the coffee and asked for his opinion?

Without any hesitation, the young Private First Class responded, "Sir, it has to be 100% pleasure. The colonel was surprised and as you might guess, asked why? "Well, sir, if there was any work involved, the officers would have me doing it for them." The room fell silent. God Bless the enlisted man. Super heroes don't wear capes, they wear Dog Tags

Thanksgiving: The Post and its Auxiliaries will provide the annual Free Thanksgiving Day dinner at the Post 2-5 PM. We need donations of food, desserts, and Turkeys/Hams (sign up sheet at the canteen). This meal is open to all who would like to share Thanksgiving with VFW Post 3787. Active Duty, Families, Veterans, etc are invited. Large groups needing reservations please see Linda for coordination. The Kitchen will be close on November 25/26th to allow the Chefs to prepare this great feast

Buddy Poppy: Plan a Buddy Poppy distribution event. During the upcoming Buddy Poppy Program year the Post and Auxiliary will go to locations to distribute Poppies. It is fun and you get to meet people, explain the Poppy, and maybe bring in new members. Cdr Dave will be happy to assist in getting you set up. Places like Walmart, Navy Exchange, etc are great spots to hand out Poppies. Remember all proceeds go to the relief funds for our Veterans. Let's make this a great Poppy Year. **The Gus**
